

Gloria Dei Lutheran Church Undergraduate Education Grant Application
(4 Pages)

Mission Statement: In accordance with the “Gathering, Growing and Going” in the love of Christ, mission statement of Gloria Dei Lutheran Church Education Grants were established. These Education Grants are awarded to confirmed and active members of Gloria Dei to help in their undergraduate educational pursuits as a significant part of our ministry to the college aged people of Gloria Dei Lutheran Church.

Guidelines

- **General Principles:** The availability of Education Grants will be announced in the Intercom, church bulletins/website.
- The Education Grant is not designed to cover the full cost of school for any applicant—it is expected that the student will contribute part of that cost. For these purposes, full cost is defined as tuition, fees, books and dormitory costs for a student living on campus. The Education Grant is not intended to cover transportation costs or the costs of room and board for a student living in their parents’ home.
- There shall not be a fixed ratio of student participation in costs. A financial package for education may include parental contributions, student aid, loans, student earnings, this grant and other scholarships.
- There may be more than one Education Grant awarded per year depending on the number of applicants. No single grant shall exceed \$1000/yr.
- The Educational Grant may be used for academic or formal vocational training only. Study may be part or full time.
- The initial application will be reviewed without prejudice.
- The review process should be as confidential as possible.

Who is eligible?

- The applicant must be a confirmed and active member of Gloria Dei Lutheran Church, Olympia, WA.
- There shall be no age restrictions. Preference may be given to single parents and/or students attending their first years of college.
- There shall be no preference by major study area.
- This Education Grant is intended to help students in their undergraduate years of college.
- The applicant must have applied to their school of choice and must provide documentation of their acceptance before an award may be confirmed.
- **A Thank You note of appreciation to the congregation from the recipient must be received before any award will be released to the institution of choice.**

What are the academic qualifications for this award?

- The applicant must have a G.P.A. of 2.0+ from high school and/or college. The applicant must submit a current unofficial transcript OR current grade report showing GPA with the application.
 - For adults who have been out of school five (5) years or longer, acceptance by the educational or vocational institution may be acceptable instead of a calculated G.P.A.
 - Applicants must indicate what year of studies they are in.
 - If known, students must submit their college/institution student number.
-
- **Read all the following guidelines.**
 - **Type all materials. Your application should look professional and well prepared. (The Application can be copied and pasted onto a new Word document and then filled in on your computer. Save it when complete and send as an attachment to gloriadei@gloriadeiolympia.org)**

 - **A Thank You note of appreciation to the congregation from the recipient of the scholarship must be delivered to the church upon notification of receiving the award. These may be published in the *Intercom* newsletter or Yellow pages.** The address will not be published.
