

- 1) Color your glasses with crayons, markers, or paint
- 2) Cut the pieces out around the outside black lines
- 3) Cut out the red eyepieces
- 4) Tape or glue colored cellophane to the back of the glasses to cover the eyeholes.
- 5) Fold the flaps on the earpieces and tape or glue to the glasses, like shown below.
- 6) When the glue's done drying, put on the glasses

**Materials:**  
 tape or glue  
 scissors  
 red cellophane
